Guitarra Flamenca paso a paso (VII)

Óscar Herrero

Une carrière professionnelle très développée qui commence depuis très jeune donne du crédit à son bon talent comme concertiste et compositeur.

Avec seulement 17 ans il offre son premier concert comme soliste et deux années ensuite il devient l'indispensable collaborateur des deux plus grands de la guitare flamenca du moment.

Il continue en solitaire sa marche déjà avec les premières reconnaissances et prix du plus haut niveau dans le monde du Flamenco, Bourdon Minier (Festival de l'Union) La Récompense Nationale de la Guitare Flamenca de Jerez de la Frontière, (Cádiz).

Auteur d'une laborieuse méthode d'enseignement schématisée, totalement pionnière dans ce domaine où il souligne un long et juste travail de recherche sur la pédagogie dans la guitare flamenca. Dans son vaste répertoire comme compositeur on trouve diverses œuvres d'étude et de concert : "La Guitare Flamenca Pas à Pas" (série de vidéos) et "Traité de la Guitare Flamenca" (en collaboration avec Claude Worms).

Il jouit de l'énorme privilège d'être le premier professeur de Flamenco donnant ses cours dans des lieux comme la Russie (Conservatoire Tchaikovsky, Moscou), la Pologne (Académie Chopin, Varsovie), Université de Panama. En étant aussi le premier à exposer un concert flamenco en Islande et même dans certaines îles de notre archipel Canarien.

Il a récemment présenté son travail "Hechizo" ; dans une tournée par l'Amérique du Sud avec un grand succès et une très bonne critique du public.

À l'occasion de l'exposition de Picasso à Ottawa il se rend en tournée par le Canada avec un choix programme d'auteurs espagnols et ses compositions propres.

Pendant la Présidence Européenne de l'Espagne il est requis pour offrir plusieurs concerts par diverses villes européennes.

Durant l'année 2000, et à la demande du gouvernement russe, on sollicite sa présence pour inaugurer avec son spectacle le Festival des Palais en San Petersbourg, la Russie.

C'est le musicien espagnol choisi pour faire partie dans les actes de conclusion du retour du Canal de Panama.

Il a porté sa guitare aux théâtres plus prestigieux, depuis le Théâtre de La Opéra du Caire, le Théâtre Royal de Madrid ou le Hermitage Théâtre de Saint Petersburg, jusqu'à dessolines de Sydney, Beyrouth, Buenos Aires ou Helsinki. Il a eu l'occasion de présenter ses concerts dans des pays très divers comme les USA, le Brésil, la Jordanie, l'Allemagne, Chili....

- "Por Falla" ; (Toast de Guitares avec la guitare classique de Carlos Oramas)
- "Hechizo" ; (Avec Tino di Geraldo, Xosé Manuel Budíño, Guillermo McGill..)

On lui caractérise une vision particulière de la musique flamenca en veillant avec soins chaque son, en exprimant avec subtilité cette grande musique qui estampille avec sa guitare.

Una dilatada carrera profesional que comienza desde muy joven avala su talento y buen hacer como concertista y compositor.

Con tan sólo 17 años ofrece su primer concierto como solista y dos años después se convierte en imprescindible colaborador de dos de los grandes de la guitarra flamenca del momento.

Prosigue su andadura ya en solitario con los primeros reconocimientos y galardones del más alto nivel en el mundo del flamenco; Bordón Minero (Festival de La Unión) y Premio Nacional de Guitarra Flamenca en Jerez de la Frontera, (Cádiz).

Autor de un laborioso método de enseñanza esquematizada, totalmente pionero en este campo en el que destaca un largo y acertado trabajo de investigación sobre la pedagogía en la guitarra flamenca. En su amplio repertorio como compositor se encuentran diversas obras de estudio y de concierto: "La Guitarras Flamenca Paso a Paso" (serie videográfica) y "Tratado de la Guitarras Flamenca" (en colaboración con Claude Worms).

Goza del enorme privilegio de ser el primer profesor de flamenco que imparte sus cursos en lugares como Rusia (Conservatorio Tchaikovsky, Moscú), Polonia (Academia Chopin, Varsovia), Universidad de Panamá. Siendo también la primera exposición de concierto flamenco en Islandia e incluso en algunas de las islas de nuestro archipiélago Canario.

Recientemente ha presentado su trabajo "Hechizo" en una gira por Sudamérica con gran éxito de crítica y público.

Con motivo de la exposición de Picasso en Ottawa presenta su gira por Canadá con un escogido programa de autores españoles y sus propias composiciones.

Durante la Presidencia Europea de España es requerido para ofrecer varios conciertos por diversas ciudades europeas.

En el año 2000, y a petición del gobierno ruso, se solicita su presencia para inaugurar con su espectáculo el Festival de los Palacios en San Petersburgo, Rusia.

Es el músico español elegido para formar parte en los actos de celebración de la reversion del Canal de Panamá.

Ha llevado su guitarra a los más prestigiosos teatros, desde El Teatro de La Ópera de El Cairo, el Teatro Real de Madrid o el Hermitage Theatre de Saint Petersburg, hasta escenarios de Sydney, Beirut, Buenos Aires o Helsinki. Ha tenido oportunidad de presentar sus conciertos en muy diversos países como USA, Brasil, Jordania, Alemania, Chile....

- "Por Falla" (Brindis de Guitarras con la guitarra clásica de Carlos Oramas)
- "Hechizo" (Con Tino di Geraldo, Xosé Manuel Budíño, Guillermo McGill..)

Le caractérise una particular visión de la música flamenca cuidando con esmero cada sonido, expresando con sutileza esta gran música que sella con su guitarra.

An extensive concert career which began when he was very young is testimony to his abilities as a composer and concert performer.

At the age of 17 he gave his first concert as a soloist and two years later he became an indispensable collaborator of two of the finest flamenco guitarists at that time.

He continued to advance his solo career, winning the first prizes awarded at the highest level in the world of flamenco; the Bordón Minero (Festival de La Unión) and the National Flamenco Guitar Prize in Jerez de la Frontera, Cádiz.

He is the author of a complete teaching method, an area in which he is an absolute pioneer following an outstanding investigation into the pedagogy of the flamenco guitar. In his ample compositional repertoire one can find contrasting study and concert works: "La Guitarras Flamenca Paso a Paso" (series of video) and "Tratado de la Guitarras Flamenca" (in collaboration with Claude Worms).

He enjoys the enormous privilege of having been the first flamenco to teach in such places as Russia (Tchaikovsky Conservatory, Moscow), Poland (Chopin Academy, Warsaw), and The University of Panama.

He has also given the first flamenco concerts in Iceland and even in a few of Spain's Canary Islands.

He recently presented his work "Hechizo" on a highly acclaimed tour of South America.

He presented his tour of Canada beginning with the Picasso exhibition in Ottawa, during which he performed selected works by Spanish authors as well as his own compositions.

During Spain's presidency of the European Union he was called upon to give several concerts in various European cities.

At the behest of the Russian government his presence was required to inaugurate the Saint Petersburg Festival of Palaces in 2000.

He is the Spanish musician chosen to take part in the celebrations of the reversion of the Panama canal.

He has taken his guitar to the most prestigious theatres from the Opera of Cairo in Egypt, Madrid's Royal Theatre and the Hermitage Theatre of Saint Petersburg to Sydney, Beirut, Buenos Aires and Helsinki. He has also performed in the U.S.A., Brazil, Jordan, Germany and Chile among other countries.

- "Por Falla" (Celebration of Guitars with the classical guitarist Carlos Oramas)
- "Hechizo" (with Tino di Geraldo, Xosé Manuel Budíño, and Guillermo McGill)

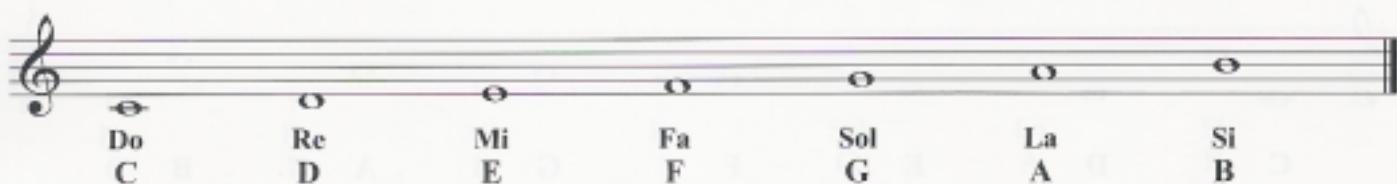

Óscar Herrero has a unique vision of flamenco music, taking care of each note and using his guitar to subtly express this art.
